## WHAT TO GRAB AND WHAT TO SKIP IN JUNE

June is the month of sun-kissed beaches, dripping ice cream cones, backyard BBQs ... and spectacular sales.

### Skip it: Grills

If you wait until August or September to splurge on that high-end grill, you should be able to buy it for half the price!

### Grab it: Movie tickets

You'll find \$1 movie tickets in June to help kids beat the heat and offer families a fun and economical outing.

### Grab it: Kitchenware

You'll find the most popular wedding gifts on sale this month, namely dishware and cookware. Take advantage of these sales to buy wedding gifts, replace old dishes or stock up on pots, pans and glassware.

Happy shopping!
