Beware of Social Media Scams! Social media is a fantastic tool to keep in touch with the world, but scammers can use it against you! Watch for odd friend requests or cloned/faked profiles of friends, and be very careful about clicking on links in social feeds. Don't give out personal information to people you don't REALLY know, and if you do find out you've fallen victim, act fast! Change your passwords, check your credit report, let your friends know about the scam and tell the FTC. Help save the next victim!
